

Partnering with Indian Federation of Green Energy
for

One Day Conference on **“Electric Vehicles- Sustainable Transformation of Indian Mobility”**
through Sponsorship opportunities

Indian Federation of Green Energy (IFGE) and EV Expo- An Electric Vehicle Exposition, is jointly organizing a One Day National Conference on **“Electric Vehicles- Sustainable Transformation of Indian Mobility”** on **Dec 22nd, 2018** at New Delhi.

The overall purpose of the conference would be to highlight significant contribution of electric vehicles in transforming Indian mobility in sustainable way and to draw attention of policy makers towards the challenges faced by EV Industry in India.

The Conference will provide an excellent opportunity for knowledge sharing & dissemination, business tie ups, networking etc. with other participating organizations, industry partners, academic institutions, government agencies, and other key stakeholders.

We welcome national & international organizations, academic institutions, financial institutions, industries involved with e-mobility domain, to join as partner/sponsor with this emerging opportunity that IFGE is shaping in the form of a one day conference. Partners will enjoy a range of benefits outlined below.

The potential partnership with IFGE will offer the following key benefits:

- ✚ A forum to meet and network with key policymakers, manufacturers, component suppliers, financing institutes, think-tanks organizations, other relevant stakeholders etc.
- ✚ Peer learning from agencies/industries active in India/or have an interest in India, along with an opportunity to identify and work on areas of common interest (IFGE shall facilitate partnerships beyond the conference as needed and desired by a concerned stakeholders with special focus on entrepreneurial growth in the sector)
- ✚ Brand recognition and promotion providing opportunity to grow your business
